

Understanding Dying, Death, and Bereavement, 2010, 592 pages, Michael Leming, George Dickinson, 0495810185, 9780495810186, Cengage Learning, 2010

Using a social-psychological approach, this edition remains solidly grounded in theory and research, but places greater emphasis on the individual and coping with death and dying. These two well-known authors and researchers integrate stimulating personal accounts throughout the text, and apply concepts to specific examples that deal with cross cultural perspectives and the practical matters of death and dying.
